Investor Charter

A. Vision and mission statements

Our mission is to make sophisticated quant research accessible to everyone.

Our vision is for every investor to benefit from the power of AI to make investments in an educated and safe environment.

B. Business transacted

Our powerful AI platform delivers research recommendations on global equities and ETFs. Our AI has been trained to generate independent, unbiased research and ideas. We conduct audits on at least an annual basis.

C. Services we provide to investors

- Exploration – We provide AI generated insights about stocks to help you better understand and explore equities and ETFs.
- Investment ideas – Our AI generates ideas for different types of investors, from buy and hold investors to experienced short term investors.
- Alerts – Based on what you tell us you're interested in, we provide alerts to help keep you up to date on the equities you care about most.
- Research reports – We distribute research reports and recommendations to all our customers without discrimination. We maintain confidentiality with respect to publication of any research reports until it has been made available to the public domain.

D. Grievance redressal mechanism

In the event of any grievance or complaint, please contact us by email (compliance@bridgeweave.com) and we will ensure that your grievance is addressed and, where possible, resolved within 30 days.

If your complaint is not redressed satisfactorily, you can lodge a complaint with SEBI on SEBI's SCORES portal which is a centralised web based complaints redressal system. SEBI takes up the complaints registered via SCORES with the concerned intermediary for timely redressal. SCORES facilitates tracking the status of the complaint.

With regard to physical complaints, you can send your complaints to SEBI: Office of Investor Assistance and Education, Securities and Exchange Board of India, SEBI Bhavan. Plot No. C4-A, 'G' Block, Bandra-Kurla Complex, Bandra (E), Mumbai – 400 051.
